M4 Junctions 12 to 13: Bridge Refurbishment – Update

Further to my letter dated 10 January 2017, I am writing to provide an update to the programme and additional traffic management information for the bridge refurbishment works taking place along the M4 near Bradfield.

As previously advised, long-term monitoring has found that the two bridges which carry the M4 over Ashampstead Road and Dark Lane, near Bradfield in West Berkshire, require extensive repair due to chloride-induced corrosion. Critical repairs are required to address the defects and ensure the structures remain in a safe and serviceable condition.

Closure of Dark Lane and Ashampstead Road

The local authority roads which run beneath the M4 must be closed for safety reasons due to the restricted height available and due to the activities involved.

- **Closure of Dark Lane (beneath the M4)** – from Monday 6 March through to Thursday 4 May 2017
- **Closure of Ashampstead Road (beneath the M4)** – from Monday 13 March through to Friday 26 May 2017

During the closures a clearly signed diversion will be in place via Bradfield, Chalk Pit Farm Road, A340 Pangbourne Road, Tidmarsh Lane, Gardeners Lane and Buckhold Hill (see map overleaf).

Weekend Closures

The programme of weekend closures of the M4 has been revised to not only avoid bank holidays but also the school Easter half term holiday, where traffic flows may increase along the M4. The closures are now currently scheduled to take place from 9pm Friday through to 6am on Monday on the following weekends:

- Friday 31 March to Monday 3 April 2017
- Friday 5 May to Monday 8 May 2017
- Friday 12 May to Monday 15 May 2017
- Friday 19 May to Monday 22 May 2017 (*contingency weekend only*)

During these closures a clearly signed diversion will be in place via the A4 (through Newbury, Thatcham and Woolhampton).

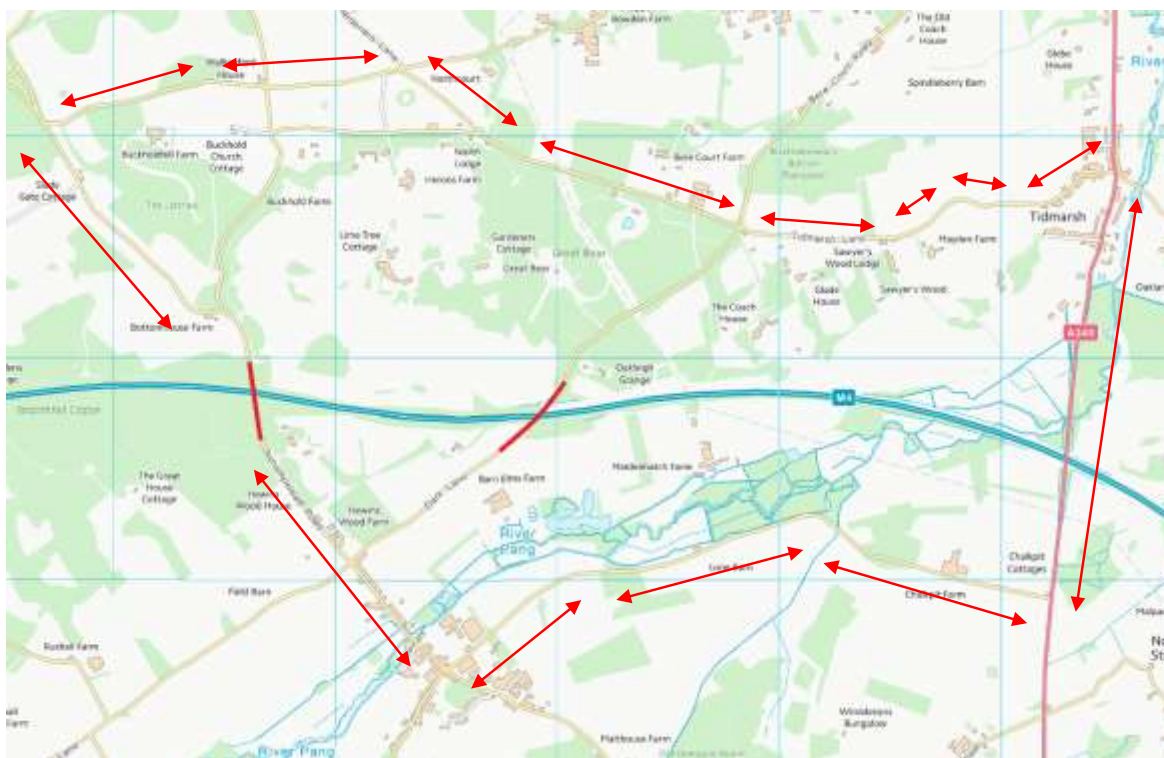

Confirmed dates for these closures will be displayed in advance on signs along the M4.

On selected weekends in July, there will also be restricted lanes open, from 9pm Friday to 6am Monday, on the following weekends:

- Friday 7 July to Monday 10 July 2017 (Westbound only)
- Friday 28 July to Monday 31 July 2017 (Eastbound only)

Significant delays are expected during these weekend closure periods, and it is advised that you plan ahead of your journey to allow for extra time or avoid this route where possible.
