

BEENHAM LIAISON GROUP MEETING
Minutes of the Meeting held Friday 11 September 2015

1. **Present:**

Graham Bowsher (GB)
Jackie Johnson (JJ)
Sue Graham (SG)
Stewart Mitchell (SM)

Apologies received: Anna Young, Keith Chopping, Matthew Meldrum

2. **VERMIN CONTROL**

Control ongoing.

3. **MRF**

Main activities are recycling, production of waste as a fuel and transfer. No changes to activities.

4. **COMPOST**

No change to area.

5. **INDUSTRIAL AREA**

Potential recycling tenants have not progressed ideas. Grundon are seeking to modify the buildings to make them more suited to end users and will present ideas as they develop.

5. **SOLAR**

Given subsidy changes and connection costs this has been put on hold and are not being progressed by other parties.

7. **A4 Metals/bridleway**

The operator had made four existing use applications, two of which have been approved (bridleway works and offices) as these are factual matters. The two remaining applications together with the refusal for a change in use and the enforcement action into the change in use are being appealed by the operator. The original car breaking use could still be undertaken at the site.

8. **AOB**

WBC are likely to consult on an amended Minerals and Waste Local Plan mid 2016. This will include sites that is likely to include Beenham and its existing uses which have been put forward.

Date of next Meeting – Friday 15th Jan 2016 at 12:00 noon.
