

GREYFIELD WOOD GUIDED WALKS

You are invited to join a guided walk through Greyfield Wood. The purpose of the walks is to provide information about the trees that we have in the wood and the work that is being undertaken by the Beenham Investment Group to preserve and develop the wood as an amenity for the local community.

The walks have been scheduled for the following dates and starting times:

Monday 21st April, (Easter Monday)	10.30am
Friday 25th April	2.30pm
Saturday 3rd May	10.30am

Each walk is expected to have a duration of 1 hour approximately.

Participation on each walk will be kept to a maximum of fifteen attendees. Please therefore **book** your place in advance by **contacting Ian Johnson on 01189713582** or via email using the address ian@johnson-oeac.co.uk. Depending on the response to this invitation additional walks will be organised, or scheduled walks may be cancelled. The walks are offered free of charge.

The walks will start at the substation entrance to the wood. (From the Six Bells public house take the road out of the village and at the first right hand bend take the lane on the left towards the wood. The substation is then straight ahead, just over a hundred meters from the road). Please note that there are no suitable car parking spaces in the local vicinity.

Please wear good footwear that is suitable for walking in wet and muddy conditions and bring waterproof clothing if the forecast indicates that it may rain. While we hope that good spring time conditions will prevail, with dry ground underfoot and warm weather, the conditions may be otherwise.

Children are welcome to come and those under twelve years old should be under adult supervision. We advise that the paths in the wood are unsuitable for pushchairs and wheelchairs and request that dogs are not brought into the wood on this occasion. Dogs are very welcome visitors to the wood in general, but if two or more dogs on a guided walk took exception to the presence of the others then the outcome would be disruptive.
